

lib/muduo/base/Atomic.h

```
graph TD; A[lib/muduo/base/Atomic.h] --> B[muduo/base/noncopyable.h]; A --> C[stdint.h];
```

The diagram illustrates the header file dependencies for `lib/muduo/base/Atomic.h`. It is shown as a gray box at the top. Two blue arrows point downwards from its bottom edge to two other boxes below. The left box, `muduo/base/noncopyable.h`, has a black border. The right box, `stdint.h`, has a gray border.
