

accept

```
graph LR; A[accept] --> B["muduo::net::sockets<br>::sockaddr_cast"]
```

A diagram consisting of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'accept'. A dark blue arrow points from the right side of this box to the left side of a second, white box. The second box contains the text 'muduo::net::sockets' on the top line and '::sockaddr_cast' on the bottom line.

muduo::net::sockets
::sockaddr_cast
